As per the UGC guidelines on the curbing of means ragging in the higher education institutions 2009 all anti-ragging measures are to be implemented in the institution level. Considering the gravity of the situation it was felt that ragging in any form in our institution should be curbed and stopped. As it is a social menace so necessary steps and actions should be taken to stop the same.

As the Supreme Court has passed stricture against ragging and instructed all higher educational institutions, persons and organisations that stringent action will be initiated in case of involvement of ragging process.

So with a hope to make our campus ragging free we felt it urgently necessary that a committee will be constituted in our institution namely anti-ragging cell to monitor the anti-ragging activities in the campus and suggest its possible remedies for curbing the same.
